- (3) The earnings are considered wages for covered services; and
- (4) The amount computed is increased by twenty percent to insure that all covered wages are included in the assessment.
- (b) If the State pays the amount assessed and the assessed amount is later determined to be more than the amount actually due, we issue a refund or credit to that State for the excess amount. When the assessment is issued within the applicable time limitation, there is no time limit on collecting the amount due. An assessment is issued on the date that it is mailed or otherwise delivered to the State.

§ 404.1287 Exceptions to the time limitations on assessments—for wages paid prior to 1987.

(a)(1) Extension by agreement. The applicable time period described in §404.1286 for assessment of an amount due may, before the expiration of such period, be extended for no more than 6 months by written agreement between the State and the Commissioner. The agreement must involve and identify a known issue or reporting error. It must also identify the periods involved, the time limitation which is being extended and the date to which it is being

extended, and the coverage group(s) and position(s) or individual(s) to which the agreement applies. The extension of the period of limitation shall not become effective until the agreement is signed by the appropriate State official and the Commissioner. (See §404.3(c) for the applicable rule where periods of limitation expire on nonwork days.) An assessment made by the Commissioner before the extended time limit ends shall be considered to have been made within the time period limitation specified in section 218(q)(2)of the Act as it read prior to the enactment of Pub. L. 99-509. (See § 404.1286.)

- (2) Reextension. An extension agreement provided for in paragraph (a)(1) of this section may be reextended by written agreement between the State and the Commissioner for no more than 6 months at a time beyond the expiration of the prior extension or reextension agreement, and only if one of the following conditions is met:
- (i) Litigation (including intrastate litigation) or a review under §404.1290 or §404.1297 involving wage reports or corrections on the same issue is pending; or
- (ii) The State is actively pursuing corrections of a known error which require additional time to complete; or
- (iii) The Social Security Administration is developing a coverage or wage issue which was being considered before the statute of limitations expired and additional time is needed to make a determination; or
- (iv) The Social Security Administration has not issued to the State a final audit statement on the State's wage or correction reports; or
- (v) There is pending Federal legislation which may substantially affect the issue in question, or the issue has national implications.
- (b) The 365-day period. If a State files a report before the applicable time limitation in §404.1286 (or any extension under paragraph (a) of this section) ends and makes no payment or pays less than the correct amount due, the Commissioner may assess the State for the amount due after the applicable time limitation has ended. However, the Commissioner must make the assessment no later than the 365th day after the day the State makes payment
